## 2023 Booklist

Dear Parents,

The teaching staff have selected the items required for each student for the school year and have nominated items for the 'Core Pack'. Parents are required to purchase items listed in the 'Core Pack' through Impact School Supplies. The remaining items are optional to purchase either through Impact School Supplies or parents can source their own items; however, please ensure your child has the required book list items for the first day at school.

### **2023 book packs will be delivered directly to the College**

All student resources ordered through Impact School Supplies will be delivered directly to the College.

### **Kindergarten & Prep**

All book list items ordered through Impact School Supplies will be delivered directly to school as a bulk year level pack prior to school commencing. This allows staff to organise and arrange resources for the first day of school. The classroom teachers will name and allocate items to students throughout the year as they are required. It is not necessary for books to be covered in contact or book covers.

### **Year 1 to 6**

All book list items ordered through Impact School Supplies will be delivered directly to school in an individually labelled pack and will be allocated to your child's classroom for the first day of school. Students in Years 1 to 6 will only be required to bring to school any book list items not purchased through Impact School Supplies. If you purchase all suggested items on the book list (e.g. pencil case, rubber, ruler) these will be included in your child's labelled pack. Staff will assist students in naming and labelling their books and other stationery items.

### **Ordering dates**

Please note the "order by" dates to ensure your child's pack arrives at College for the commencement of the school year and to save additional costs on packaging and handling fees.
