Welcome

ABCC plays a very important part in your child’s day, and therefore we want to make sure that your child participates in a developmentally appropriate and enjoyable program that balances and complements their academic experience.

ABCC emphasises fun and friendship through recreational activities and positive relationships. One of the key elements in our program is “play” – which sometimes gets forgotten in this busy world in which we raise our children. It is through play and activities that children will be offered opportunities to explore creatively, develop social skills and their individual interests. We encourage you to join us at any time and invite any new ideas to better our program. If at any time you may have any questions or concerns, please feel free to speak to our ABCC Director.

We look forward to getting to know you and your children as we embark on this ABCC journey together.

Philosophy - TSAC ABCC and EY ABCC

The ABCC & EY ABCC (After and Before College Care) service operates to provide a safe and stimulating environment for children of The Springfield Anglican College during before and after school hours and through vacation periods. As part of The Springfield Anglican College and Tiny Tartan community, our educators are committed to ensuring that the rights and interests of each child are the foundation of our daily practice and interactions. Our program inspires to provide an engaging, stimulating, and caring play-based learning environment based on My Time Our Place, within a framework of Christian values.

ABCC incorporates The College attitude of respected without discrimination or bias towards all children, their families, and staff. We acknowledge and value individual backgrounds, culture, and customs of everyone in our school community. Our service strives to build and maintain relationships with families that are positive, based on trust, respect, and two-way communication. Our practice and meaningful engagement with our families and diverse community demonstrates our commitment to inclusiveness.

ABCC respectfully acknowledges Australia's Aboriginal and Torres Strait Islander cultures and value that embedding the unique history, language, and culture in practice plays. We are committed to reconciliation and the part that we play in promoting equality and recognition across all cultures.

Our engaging and caring environment supports each child's individual needs, while promoting safety, supporting wellbeing, and encouraging a strong sense of belonging. Children are encouraged to contribute to the program and are supported to develop positive and enriching relationships with others.

CONFIDENTIALITY

ABCC respects the privacy of all individuals and seeks only the information it needs to provide a quality service and protect the children in its care. The Springfield Anglican College ABCC & TSAC Early Years ABCC complies with the FSAC Ltd Policies and Procedures, and all documents kept at ABCC will be kept in a secure location. COMMUNICATION BY FAMILIES WITH ABCC

If at any time families wish to speak with the Nominated Supervisor it is appropriate to make an appointment as discussions can sometimes be lengthy, involved and require privacy. It is difficult to deal with important issues while needing to supervise children, as the safety of children is paramount.

We ask that parents do not approach and speak to children other than their own. It is best to approach an ABCC educator who will relay messages to the child or parents.

All requests from families for changes to anything that will affect their child's care at ABCC such as bookings, absences, routines, medical plans must be made in writing. This is to ensure that all amendments are carried out in a timely manner.

Any messages for teachers, reception etc. must be communicated via your child's diary or communication book as ABCC takes no responsibility for these messages.

It is not appropriate to upbraid the Nominated Supervisor, educator, staff member or child at any time. Any parent found to be using an inappropriate tone of voice, yelling or bad language at or near ABCC will be requested to leave the College grounds. This will also be reported to the Head of Primary and the College Principal.

All children attending ABCC will be encouraged to offer ideas to assist in the planning of all our programs. Families can contribute ideas for the term and vacation care programs, see the Nominated Supervisor or fill out ideas on the vacation care ideas form.

AGE GROUPING

Educators will also offer suggestions that have been identified from their activity evaluations and as further development opportunities for the activity.

TSAC ABCC - During term and vacation care ABCC children are grouped according to interest and activity. These will have been identified by the children as activities of interest. Educators will also offer suggestions that have been identified from their activity evaluations and as further development opportunities for the activity.

PROGRAMS AND EVALUATIONS

The program will be displayed for on the information board for everyone to view and parents may ask for and receive a copy.

The National Quality Framework “MY TIME, OUR PLACE” for OSHC underpins the programs developed in ABCC. Educators will use these frameworks as a basis for the programs. These will focus on life skills and recreational activities with fun as the catalyst.

The program will provide opportunities for children to choose activities either as individuals or in small groups to pursue experiences that are of their own choice. They will reflect a variety of activities that allow children to participate in creative and imaginative play, including elements of music, dance, drama, art and craft as well as choosing to have time to think and create. Activities will be appropriate to the age, skills and interests of the children in attendance and will stimulate emotional, intellectual, lingual, physical, recreational and social potential.

The National ‘My Time Our Place’ for OSHC conveys the highest expectation for all children’s learning, it communicates these expectations through the following five Learning Outcomes:

- Children have a strong sense of identity
- Children are connected with and contribute to their world
- Children have a strong sense of wellbeing
- Children are confident and involved learners
- Children are effective communicators.

The Educational Leader will assist ABCC Educators in the development of programs and to ensure that the Educators and children are evaluating the programs and taking observations of the activities. It is all essential that this occurs to allow for future development of the program and to offer valuable experiences for all children.

Parents also provide valuable experiences that can be included into the program through survey and evaluation forms and discussions with Educators.

Vacation care programs require input from Educators and ideas from children and parents for activities as well as excursions will assist in developing a holiday program that is fun and enjoyed by all involved.

Evaluation of the programs will be via input from Educators, families but most importantly from children. Educators will use a variety of methods to collect evaluations including but not limited to evaluation forms, photos, interactions with parents and children.

The evaluations will be used to inform future planning of the program.

HOMEWORK

TSAC ABCC offers a homework time for children. Educators will be available for supervision and students will be able to access their laptops should the teacher request. Children attending will be expected to be actively engaged in homework tasks. Students found misbehaving will be removed from the homework group and parents notified of their behaviour. Continued misbehaviour and disrupting of other children will result in children being unable to join the homework group. Parents, however remain responsible for ensuring their child’s participation and completion of homework tasks.

If you want your child to participate in homework group, please speak to the Nominated Supervisor for inclusion. Educators can encourage children but are unable to force them to participate.

CLUBS AND ACTIVITIES

The College provides many clubs and activities before and after school. Should your child be involved, please notify ABCC so we know where your child is, especially in the afternoons, when your child does not arrive to ABCC at 3:00 pm. If your child has made a commitment for a period (i.e. a sporting team during a term) and you are able to collect them directly after this activity, please advise ABCC.

Parents who receive notice of cancellation of College Extra-Curricular Activities, and are needing to access ABCC,

Children attending ABCC from cancelled activities will be accepted into ABCC when possible –this means that our educator: child ratio is in accordance with Education and Care Services National Regulations. When numbers requiring care exceed our educator: child ratio then children will be sent (Year 3 and above) or escorted (Prep to Year 2) to College Reception where they will remain under the care of college staff until ABCC is able to provide care.

Children will then be collected (Prep to Year 2) or sent (Year 3 and above) to ABCC and signed into ABCC.

Parents will be notified that this has occurred either via phone or email as soon as is practicable. This may be the following day.

Cancellation of College Extra-Curricular Activities with prior notice:

Children needing care at ABCC will be need to be booked into ABCC and will come under the same booking procedure as all children needing a casual booking into ABCC. Failure to pre-book may see the addition of a non-booking fee to your account.

VACATION CARE

Our Vacation care program includes incursions such as theatre, puppets, wildlife animals, farm animals, special craft activities and community workers. Some TSAC EY ABCC incursions will be in conjunction with the TSAC ABCC and these incursions will be considered excursions as the children will be leaving the confines of The Tiny Tartan Kindergarten to attend. These excursions will require the appropriate paperwork to be completed by parents. An approved risk assessment will also be required and will be available for families should they wish to inspect.

TSAC ABCC children in Year 3 & Above only will participate in excursions leaving the College. These excursions will comply with Regulations in the Education & Care Services National Law Act 2010.

Children will be given a variety of activities during vacation care. Many of these will be the children's own choices. We endeavour to give the children a variety of craft, games and activities but the focus is on having fun.

Students in Year 7 and above can attend and participate in the program.

Pupil Free Days (for The Springfield Anglican College students only) - these usually occur on the Monday before Terms 2, 3 and 4 commence, unless the Monday is a designated Queensland Public Holiday. College holiday dates can be located on the College Website.

ABCC does not operate over the Christmas and New Year period when the whole of the College is closed for the break. Families will be notified of dates for this period after the Board's decision later in the year.

Please be aware that some of our vacation care dates are extra to those in Education Queensland schools along with some differences in Pupil Free Days. TSAC ABCC & TSAC EY ABCC has the Brisbane Public Holiday for the Exhibition.

ABCC does not operate on public holidays.

EXCURSIONS / INCURSIONS

Kindy to Year 2 children will take part in activities brought into the College and have special days planned.

Cost of activities for both TSAC & TSAC EY is additional to session fees and will be charged to your account. All incursions are compulsory as non-attending children place our Educator/child ratios at risk and will see fees raised to cover increased costs. All activities are paid by ABCC prior to the event and additional charges will be added to statements.

Children in the Early Years unit will from time to time leave the unit to engage in activities outside of the Early Year unit.

Permission form for these excursions is included on the Enrolment Form.

Due to Government Legislation excursions for children attending Kindy unit:

- Children attending the Kindy unit participating any activity that leaves the Kindy unit must have permission form signed by parent/guardians.
- Included in the ABCC Enrolment form is a section for permission to leave the unit for programmed activities during term and vacation care. These include but are not limited to the oval, prep and lower playgrounds, undercover area and courtyard, tennis courts, dance /music rooms, primary ABCC rooms and outside area, and library. Permission of specific vacation care activities will have permission section on the vacation care booking form.
- All excursions outside the usual premises will be fully explained detailing dates, destination and method of transport, departure and return times and activities to be undertaken. Educators/child ratios will be maintained always. A risk assessment will be available in the ABCC office.

A First Aid Kit, Student Roll, Emergency contact numbers, for all students and a Mobile Phone will be taken on every excursion (for those leaving the Kindy area this will apply). Educators attending excursions will hold a current First Aid certificate and a current Asthma & Anaphylaxis Management certificate.

Excursions leaving the College grounds are for Year 3 and above and will follow the Excursion Policy. These excursions are compulsory and therefore will attract CCS to the eligible families.

TRANSPORT

Whenever possible the College buses will be used for transport to and from excursions destinations.

ELECTRONIC EQUIPMENT

Students are only allowed to bring their iPads or laptops for homework purposes, and use them during the ABCC Homework Club. If your child wishes to bring a DVD/game to share during the vacation care, please check with the ABCC Nominated Supervisor prior, as we need to ensure you know that your child is bringing a DVD/game to college and that the game is suitable "G" rated. All other electronic equipment is not permitted at ABCC.

TOYS AND GAMES FROM HOME

Our service is well supplied with toys and games and for this reason we discourage the bringing of toys from home. There is also the possibility that the child's special toy will be broken or lost. Any articles from home will be placed back in the child's bag or held in the Nominated Supervisor's office until the end of the day or week.

MOBILE PHONES

Mobile phones are not to be used during ABCC. If students need to contact parents, then they may use the ABCC phone and parents may contact children during the day by phoning the ABCC office. ABCC does not take responsibility for lost, broken or stolen phones. Students are encouraged to sign their phone into the ABCC office upon arrival.

PARENT PARTICIPATION

Parents are welcome at ABCC and are encouraged to participate;

- Providing activities, ideas for daily and vacation care and feedback via written evaluations or by speaking with the Educators.
- By donating items - paper, craft-items, fruit/other food items during term or Vacation Care (see Nominated Supervisor).
- Coming on excursions during vacation care
- Visiting ABCC and sharing with the children about your culture, life interests, occupation, or by making interesting food treats or showing childhood games.

ABCC Nexus Page can be found at www.nexus.tsac.qld.edu.au/homepage/357

Enrolment

Enrolments into the Springfield Anglican College (TSAC) ABCC and early years ABCC are for students attending the college. ABCC uses online Enrolment forms through our Xplor platform.

An enrolment form must be completed for each child attending ABCC. Details of this form should be kept current and updated as necessary. Parents can email ABCC at any time during the year should any information regarding your child's enrolment details change.

The enrolment form is an important document that needs to be completed in full, please take the time to complete with all information requested. It is essential that you read and agree to the authorisations and consents provided in the form. All incomplete forms will be returned, and attendance may be delayed until the form is completed in full.

Records will be kept stating the child's name, time of arrival, time of departure and the details of the person with whom the child is arriving or departing. **Parents are requested to advise ABCC office of any changes in family information as our computers are independent of the College.** All records will be kept secure to ensure confidentiality in line with the current Privacy Act. Parents are encouraged to download the Xplor Home app to manage sign in/out for children for each session.

Children in Kindy and Prep will be enrolled in TSAC Early Years ABCC.

BOOKINGS

Bookings are essential to ensure we have the legislated number of Educators available to safely supervise the children attending and to also adhere to the conditions of our Service License. Bookings enable us to ensure that your child is accounted for.

The service offers two types of bookings – Permanent or Casual. Bookings should be confirmed at the beginning of each year when completing an Enrolment form or Change of Details form, and at the commencement of each term when changes to circumstances may affect bookings. Bookings will continue, from term to term, unless ABCC is officially notified. Failure to notify will see fees charged to your account until the booking is amended.

All bookings must be communicated to the ABCC Administration staff. Educators are not responsible for taking or processing bookings.

Please note: the ABCC email is not manned over the weekend. Any booking requests sent via email outside of office hours, will not be confirmed until the ABCC office reopens (Monday to Friday, 8:00am – 4:00pm).

PERMANENT BOOKINGS

Permanent bookings are suited to families who require regular attendance throughout a term or for the year. These bookings should be made upon enrolment, or at the beginning of a term.

To make a permanent booking, families are required to email **abcc@tsac.qld.edu.au**. Permanent bookings are in place until the end of the school year. Alternatively, families can nominate for the permanent booking to end on a specified date.

If you require a permanent booking to start after term time has already begun, parents will need to email **abcc@tsac.qld.edu.au** at least **ONE WEEK BEFORE THE BOOKING IS REQUIRED**. This allows us time to process the booking and ensure we have the legislated number of Educators available to safely supervise the children attending. If the Permanent Booking request is received outside of this time frame, we may not be able to secure a spot for your child and there may be a delay in your child starting regular attendance.

CASUAL BOOKINGS

Casual bookings are suited to families whose need for care changes on a regular basis. Casual bookings can be made by completing the Casual Booking Slip found in the ABCC office; online via the TSAC website; via email or by phone (07 3818 5780). The policy for making casual bookings applies as follows:

Before School Care

- Casual bookings required for before school care, must be made 48 hours before care is required. Any bookings made after this time will be subject to a non-booked fee.
- Casual bookings that are required for a Monday morning, must be made **no later than 4pm the Friday before**. Any bookings made after this time will be subject to a non-booked fee.
- We understand that certain situations do arise where a need for emergency care is required for a Monday morning. If you require a Monday morning booking due to such, and it is after the 4pm Friday before deadline; we will take this into consideration. Please note that if you send a booking request over the weekend via email or phone, your request will not be confirmed nor booked as it is outside of office hours. Please call the service before attending ensure space is available.
- **PLEASE NOTE:** Our service adheres to strict legislated Educator to Child Ratios. This legislation dictates our ability to take extra children who arrive at our service without being booked in. If you arrive at the service without a prior booking, Educators may be unable to care for your child as the Educator to Child Ratio may not allow for extra children. To avoid this situation occurring, it is necessary for bookings to be made before the specified deadlines so that we can arrange for the appropriate number of staff to be allocated.

After School Care

- Any bookings need to be made with at least 48 HOURS NOTICE otherwise you will be subject to a non-booked fee.
- Casual bookings required for after school must be made before the 12PM cut off time of the day care is required.
- We understand that unavoidable and emergency situations do occur. If you require an after school booking due to such, and it is after the 12pm deadline; we will take this into consideration when processing the booking.
- **PLEASE NOTE:** Our service adheres to strict legislated Educator to Child Ratios. This legislation dictates our ability to take extra children who arrive at our service without being booked in. If your child arrives at the service without a prior booking, Educators may be unable to care for your child as the Educator to Child Ratio may not allow for extra children. To avoid this situation occurring, it is necessary for bookings to be made before the specified deadlines so that we can arrange for the appropriate number of staff to be allocated. In the event our Educator to Child Ratio does not allow us to care for your child, children may be placed in Reception until they can safely be brought to ABCC.

VACATION CARE BOOKINGS

Vacation care bookings must be made on the booking form. This ensures a place for your child at ABCC.

We understand circumstances may change due to unforeseen circumstances and you may require care after Vacation Care has commenced. This at times puts a strain on our ability to safely staff ABCC and care for your child. Every effort will be made to accommodate your child, but Educator Ratios may at times restrict numbers and late bookings.

Bookings need to be received by the Booking Date as stated on the booking form. Late bookings will attract the casual rate fee for the duration of the vacation care bookings. Payment for Vacation care is due within the fortnight after the bookings have been attended to avoid late fees. **Late bookings will attract the casual rate fee for the duration of the vacation care bookings.**

Changes to bookings for Vacation Care will only be accepted with at least 7 days' notice. Any cancellations made without the required notice will be marked as absent. Session fees, excursions, incursions, or other additional fees will still be charged, as our resources, and third-party suppliers are pre-ordered/paid based on booking numbers, as of the cut-off date.

ABSENCES

Families must notify ABCC of their child's absence or non-attendance to ABCC via either phone (leave a message if the phone is unattended), or email on abcc@tsac.qld.edu.au. Please state the reason for non-attendance i.e. sickness. ABCC does not have direct access to the College absence line.

Parents should notify ABCC if their child will be absent due to school activities including sports and camps. This will ensure that our Educators do not spend valuable time looking for your child.

Continued failure to communicate with ABCC of your child's non-attendance may see the cancellation of the booking.

CANCELLATIONS OF PERMANENT BOOKING

Before and After School Care

- Cancellations to permanent bookings for before and/or after school care need to be emailed to abcc@tsac.qld.edu.au. Requests need to be made to ABCC administration at least 7 days prior to the cancellation.

If we cannot gain your authorisation, then we will be unable to release your child.

Allowable Absences (for those eligible for CCS% only) — each child is eligible for up to 52 allowable absences in a financial year and CCS will be paid for those 52 allowable absences. ABCC will be charging you an allowable absence if you fail to cancel a booking made for your child. Continual failure to cancel will mean exclusion from ABCC for the child.

Safety

ARRANGEMENT FOR THE DELIVERY AND COLLECTION OF CHILDREN

TSAC ABCC and TSAC EY ABCC responsibility for the child begins when she/he is signed in to the Xplor attendance register (roll) and ends when the child is signed out of the Xplor attendance register (roll) in keeping with the Policies and Procedures set out below. For the safety and protection of children and in keeping with Duty of Care considerations, TSAC ABCC and TSAC EY ABCC have procedures regarding the arrival and departure of children and particularly the persons who may collect children from the service.

- All individual children will be signed in to TSAC ABCC and TSAC EY ABCC for before school care during term time and vacation care and out of TSAC ABCC and TSAC EY ABCC and for after school care during term time and vacation care by the parent/guardian or other adult person the parent/guardian has nominated on the enrolment form, or subsequently in writing as being authorised to do so
- As from when the child has been duly signed in by the authorised person, the service takes responsibility for the child until the authorised person collecting duly signs out the child
- At the conclusion of before school care and the commencement of after school care Educators at TSAC ABCC and TSAC EY ABCC will sign children in to the service
- Educators will acknowledge all children and their parent/guardian arriving at the service
- Educators will ensure that the person collecting the child is an authorised person
- A child may only leave the service if they are:
 - Given into the care of a parent/guardian
 - An authorised nominee named in the child's enrolment record
 - An adult authorised by a parent or authorised nominee named in the child's enrolment record to collect the child from the premises
 - Leaving the premises in accordance with written authorisation of the child's parent or authorised nominee named in the child's enrolment
 - Taken on an excursion
 - Given into the care of a person or taken outside the premises because the child requires medical, hospital or ambulance care or treatment or because of another emergency
- The adult signing a child into the service must use the iPads provided to sign into Xplor with their account details
- The adult signing a child out of the service must use the iPads provided to sign out of Xplor
- If requested by a parent/guardian on either arrival or departure, an Educator can sign the child in or out of the service
- Families of children whose name appears on the roll for any session and who have not attended will be contacted by the Nominated Supervisor or a representative to ascertain the whereabouts of that child as soon as is practical in the morning after children have been taken to class and in the afternoon by 3:30pm. Vacation care contact will be made by 10:00am
- Continual failure to notify ABCC of a child's absence may see the booking cancelled. The Nominated Supervisor or a representative will ring the family to ascertain the reason for the continual absences and put in place a notification procedure. If this procedure is breached the bookings will be cancelled and attendances at ABCC restructured to authorised booked attendances only.

Late arrivals or departures:

- If children who are expected at the service have not arrived by the commencement of a session the parent/guardian will be phoned by the Nominated Supervisor to ascertain the reason for non-attendance
- If a parent/guardian is expected to be late for collection by end of care, they must contact the ABCC Office

on 3818 5780 or Main ABCC 0437 617 794 or Early Years 0438 071 194. If collection is after closing time for The Springfield Anglican College ABCC then an extra charge will apply.

All children will be signed in and out by the parent/guardian or other person nominated by the parent/guardian on the enrolment form or subsequently in writing as being authorised. Photo identification will be required. An email to the service or a phone message giving authorisation can be left by phoning ABCC 3818 5780 or Main ABCC 0437 617 794 or Early Years 0438 071 194.

Children attending Private Tuition Classes, sports clinics or other activities provided by the College shall be signed in or out by an Educator. The Educator shall notify the Nominated Supervisor should the child not return in a reasonable time. The Nominated Supervisor will then contact the Private Tuition teacher and /or parents.

No child will be permitted to travel home on their own, unless written approval is received. Verbal approval will be allowed in the case of an emergency. These records will be kept.

If parents are unable to pick up their children by 6:30pm, ABCC Educators may be contacted on 3818 5780 or Main ABCC 0437 617 794 or Early Years 0438 071 194 to advise of alternative arrangements for the care of their child.

In the event of a child failing to be collected by closing time, the parent will be contacted and then if necessary the emergency contact person will be notified to arrange collection of the child. Any expense incurred in sending the child home by taxi, will be covered by the parent. In the event of Educators not being able to speak to either parent or emergency contact, the child will remain under the care of ABCC Educators and a late fee will apply. If after one hour the parents or emergency contact cannot be contacted ABCC will contact the Principal and the local Police to arrange appropriate care for your child.

ABCC can only care for your child for a limited time so please ensure you have alternative arrangements for the care of your child and ensure that your emergency contact information is kept current at all times.

IMPORTANT

If your child presents with symptoms of an illness prior to attending ABCC, please keep your child at home. You will be contacted to collect your child if they present with symptoms of an illness. The health of your child is important to ABCC as is the health of staff and other children.

CUSTODY ARRANGEMENTS

If there is a legal agreement outlining custody or restraining arrangements, please indicate this on your child's enrolment form and provide the service with a copy for our records. If legal circumstances change, please notify the Nominated Supervisor immediately.

EVACUATION AND LOCKDOWN PROCEDURES

ABCC regularly conducts fire drills and the evacuation policy is displayed in the ABCC Office as well as each classroom used. All students will move quickly and orderly to the oval until the area is declared safe. ABCC will practice its evacuation process during the year.

In the event of an external physical threat to Educators or students Lockdown Procedure (displayed in ABCC office) will take place. Educators will ensure that all students will remain indoors in a room where all doors will be locked and made secure. If students are outside they will quickly move to the nearest delegated area and the area will be made secure.

ILLNESS, INJURY, INCIDENT AND TRAUMA

Each group of children at TSAC & TSAC EY ABCC during term and vacation has an Educator with a current First Aid Certificate, who can administer first aid in the case of an injury or accident. All Educators will wear

disposable gloves when administering First Aid, or in any situation where there is body fluid present.

Each service has an approved First Aid Kit and manual, which are kept in a secure place, accessible to Educators only.

In the event of a serious injury, a local practitioner/ambulance will be contacted immediately and then the parent or, if necessary, the emergency contact person will be notified. In case of accidents, where documents relating to medical treatment are required to be signed and parent or emergency contact cannot be contacted, the Nominated Supervisor ABCC will be authorised to sign for the parent.

Parents are responsible for meeting all medical costs associated with the treatment of their child. Parent/carer can seek a refund under the College Student Accident Insurance Policy. Details can be found on the College Website.

In the event of a minor injury, the parent will be advised of the injury and of the treatment given upon collection of their child. An ABCC Incident Form will be completed for all serious accidents/incidents. Parents will be requested to sign the records and may receive a copy on request.

The Nominated Supervisor must ensure that a parent of a child being cared for at TSAC ABCC & TSAC EY ABCC is notified as soon as practicable, but not later than 24 hours after the occurrence, if the child is involved in any incident, injury, trauma or illness while the child is being educated and cared for by the service.

If your child requires medical intervention for any accident occurring at ABCC, please inform ABCC as soon as possible. Government Legislation requires that ABCC submit a form to the Office Early Childhood, Education and Care if a child is involved in an accident requiring medical care by either a doctor or hospital.

MEDICATION

Medication for students may be administered only if it is prescribed by a doctor for that student and medical practitioner or pharmacist instructions are supplied. Parents must sign the 'Permission to Administer Medication Form' for it to be administered by ABCC Educators. All medication will be kept by Educators in a safe place.

ABCC Educators are not permitted to administer Panadol or other un-prescribed medication, including cough mixtures without written instruction from a medical practitioner.

All medication will be available at ABCC prior to the child attending ABCC. It is the responsibility of the parents to ensure that medication is provided to ABCC prior to their child's arrival at ABCC.

All medication and permission forms must be handed into the TSAC ABCC Office and an Educator at TSAC EY and medication will be prepared for the child to self-administer at TSAC ABCC office and administered to children attending TSAC EY ABCC by the Nominated Supervisor or suitably qualified Educator. All medication will be checked by a second Educator before it is given. All Educators administering first aid or medication must hold a current First Aid Certificate with appropriate updates.

Students with Asthma and Anaphylaxis medication will need to supply ABCC with an appropriate Management Plan completed by a Medical Practitioner. ABCC will also require the child's medication to be at ABCC when their child is attending and to complete all requirements as above, if necessary. Medication can be returned to parents on collection of the child from ABCC.

Asthma puffers may be carried by students provided they have written permission from the Head of Primary. ABCC will require notification that your child has asthma and is self-medicating.

Parents will receive a letter from ABCC six months after yearly enrolment or notification that their child has an asthma or anaphylaxis management plan to ascertain if any changes have been made to the action plan.

Should a child arrive at ABCC without medication for the medical action plan the family will be called and either medication will be supplied, or the child is to be collected without delay.

For children WITH an Action Plan for Anaphylaxis

- Follow emergency response plan as outlined in a student's Action Plan for Anaphylaxis
- If Action Plan indicates the use of an adrenaline auto injector (e.g. EpiPen), educators will administer the injector if required
- Seek urgent medical assistance – call an ambulance (tell the dispatcher that the medical condition is anaphylaxis or a severe allergy)
- If unconscious and no pulse is evident, commence Cardio Pulmonary Resuscitation (CPR) and continue until ambulance arrives
- Contact parents/caregivers and child's registered medical practitioner.
- Maintain airway, breathing and circulation always
- Maintain close observation for possible relapse while waiting for ambulance or medical assistance

For children WITHOUT an Action Plan for Anaphylaxis

Severe allergic reactions or anaphylaxis can occur rarely when there is no history of known allergies. This situation should be treated as an emergency. Under these circumstances there will be no Action Plan. Recognition of the symptoms and/or signs as being anaphylactic may also be a problem. The following steps should be followed:

- Seek urgent medical assistance – call an ambulance (if suspected, tell the dispatcher that the medical condition is anaphylaxis or a severe allergy)
- Lay the person flat and elevate the legs if the person is dizzy or seems confused or has a reduced level of consciousness, unless this makes it more difficult for the person to breathe
- Follow standard resuscitation measures if there is no pulse, no breathing or loss of consciousness – if oxygen is available give at a high-flow rate.

EXCLUSION

A child will be removed from the program and the parent/guardian contacted if the child is found to be suffering from an infectious, or contagious disease, or a recognised exclusion illness/condition.

It is the responsibility of the parent/guardian to inform the College of any infectious disease that their child or other immediate family members may be suffering. The College will then notify ABCC.

SICKNESS

Parents will be contacted regarding their child/children's illness and asked to collect their children as soon as possible.

The parent will indemnify the centre for all costs associated with seeking medical treatment for their child.

TOILETING ACCIDENTS

Parents will be notified to come and collect their child if the child has a toileting accident and is unable to clean and change themselves.

If your child is known to have occasional accidents, please keep a change of clothes, including underwear and wipes, in a small bag in your child's backpack. This will save your child the embarrassment of having wet clothes in front of their friends.

If a child can change themselves, their soiled clothes will be placed in a plastic bag and then into a sealed container with the plastic bag given to parents on collection of their child.

SUN PROTECTION

ABCC Educators will encourage the use of sun protective clothing, hats and SPF 30 + broad-spectrum sunscreen for children and themselves when outside. Our ABCC program will be structured to maximize the use of available shade for outdoor activities, and reduce time spent in the sun between 10am to 2pm. Children will apply their own sunscreen, if they are unable to use ABCC sunscreen. Sunscreen will be applied at least 20 minutes before they go out in the sun to maximize its affect and re-applied every 2 hours. If a child is not able to have sunscreen applied, a letter stating this fact must be given to the ABCC Nominated Supervisor. (See Sun Safe Policy at end of this publication).

Strictly NO HAT - NO OUTSIDE PLAY at ABCC.

LOST PROPERTY

Items of lost property found at or near ABCC will be handed into Reception. We encourage Parents to clearly name ALL their child's items of clothing and belongings.

DAMAGE TO UNIFORMS

ABCC will take all care when undertaking art and craft activities by providing children with directions, using art smocks and strict supervision, however accidents do happen which may mean children may cause slight damage to uniforms (e g paint, cut with scissors etc.). ABCC is unable to replace items damaged at ABCC.

During vacation care we suggest play clothes are worn as during this time children are engaged in a variety of play activities and clothes may become wet and soiled. A set of spare clothes during vacation care will provide children with an alternative should their clothes become uncomfortable for them to wear. During vacation care in hotter months ABCC occasionally enjoys water play activities, a set of dry clothes is advised.

ABCC suggests a spare set of underwear in your child's bag during term and vacation care.

HANDLING OF COMPLAINTS AND GRIEVANCES POLICY

The Springfield Anglican College ABCC as part of the FSAC group of colleges and will adhere to the Board FSAC Ltd Compliance Procedure No. 3.4 Grievance Management Procedure 2018. FSAC Ltd is committed to providing a fair, safe and productive educational environment at its Colleges, where grievances are dealt with in a transparent and equitable manner. An essential part of developing that environment is ensuring that members of the College communities (staff, students, parents, carers and the public) are encouraged to come forward with their grievances in the knowledge that the College will take appropriate action to resolve those grievances.

All grievances from children, families or members of the community will be respected and treated in a fair and equitable manner with a strong desire to resolve the grievance through the following procedure:

- All complaints or concerns will first be addressed and discussed with the Nominated Supervisor
- If after discussing the issue with the Nominated Supervisor the matter is still unresolved then it should be forwarded, in written form, to the Coordinator ABCC – FSAC Ltd. who will discuss the issue with the Head of Primary
- The Head of Primary and the ABCC Nominated Supervisor will contact the person and arrange a meeting.

FAQs

Why am I charged an Absence Fee?

If you fail to contact ABCC and comply with the Cancellation procedure requirements, then an Absence Fee is charged to your account.

Why am I required to sign an Absence on the roll?

All families with CCS% are allocated 42 absences each financial year. After these absences have been used no CCS% whether eligible on a weekly fee relief basis or claimed at tax time, unless you have a legitimate absence, either medical, change to work roster or similar, will be allocated to your fees.

Any additional absences will require proof either medical certificate or letter from your workplace. All absences are reported to the Department of Education, Employment and Workplace Relations in our weekly reporting system for all families. To ensure the service is charging correctly for absence it is necessary for families to sign the record of the absence.

Why are incursions / excursions compulsory?

If children do not attend an incursion / excursion the ABCC would be required to allocate a staff member to the child or children not attending the activity. This increases our staffing numbers because of the need to meet regulatory requirements for staff/child ratios and cover all areas used by children. Increased costs for staff would be putting pressure on our budget this requiring an increase in overall fees to cover the situation.

Each year we try to keep all fee increases to a minimum and look to ways to keep costs down for families. Making incursions / excursions compulsory also attracts CCS to the full fee charged making it a cost effective for families needing to use vacation care.

Why must I make a booking? And why must I notify ABCC of my child not attending?

The service operates under regulatory requirements that include a certain staff to child ratio. To enable ABCC to have the required number of staff on duty to manage the children at ABCC, knowledge of how many children will be attending is essential.

This also works in reverse for cancellations; ABCC is able to cancel staff if the numbers of children decrease.

Both require early notification to allow staff to be able to come to work and to be released from work with enough notice.
